

5

THINGS TO KNOW ABOUT STRENGTHENING YOUR HOME

1

Keep trees around your home trimmed well before a storm to prevent damage from broken branches

2

Have the proper materials in advance to board up your windows to protect them from flying debris.

3

Bring loose outdoor items such as patio furniture inside. They can blow around and cause damage to homes.

4

Secure all doors on your property. Remember that the garage door is usually the most vulnerable.

5

Move your car inside a garage or to another secure location.
